

## **STREET PARISH COUNCIL - KEY PRIORITIES**

Street Parish Council have identified the following as key priorities for the next 5 years:

- Exploring enhancement of the High Street
- Setting up ways in which the Council actively engages with the community
- Commitment to supporting Street library service
- Street as a safe and welcoming community

This is an exciting time to join Street Parish Council as the Clerk will have a large part to play in implementing strategies to deliver these priorities.

The Council have identified the following internal projects as necessary to delivery of the priorities set out above:

- A review of staffing – to ensure that the right team is in place with the skills to achieve the Council’s objectives.
- A review of the grant process - to include both the awarding of grants and the obtaining of grant funding for the Council.
- To review the stakeholder engagement process.
