Your place of work will be our Council HQ in Spennymoor Town Hall, and hybrid working will be considered. You will line-manage a team of five colleagues and will be a key part of the Council's Senior Management Team.

As a great communicator and natural rapport-builder, you'll bring your passion for local government and your understanding of policy and governance processes to bear as we work to build a great future for our Council.

You'll lead our corporate and democratic service area, working closely with the Town Clerk and your senior management colleagues to develop and maintain best-in-class policies and procedures that enable the rest of the Council to deliver great services to the people of Spennymoor. You will support the Town Clerk in our Council and Committee meetings and Working Groups. And you'll take a lead role on developing our approach to PR & communications, making sure that we are telling people about our work in the town and also connecting and amplifying the work of our other local community partners.

If you don't already hold the Certificate in Local Council Administration (CiLCA) you'll commit to completing the qualification within 6 months of taking up post. Ideally, you'll have a relevant professional qualification at level 4 or above, and/or a relevant academic qualification at level 5 or above.
