

Janice for IIMC Vice President

Empowering Voices Through Collaborative Leadership

I hope this message finds you well. I am reaching out to you today to request your support in the upcoming IIMC Vice President election. I am running because I want to be a strong voice for all of our members—helping them thrive in an ever-evolving landscape and championing professional development and education.

IIMC has a rich history, and while significant progress has been made to move our profession forward, there is still much work to do. As a common-sense leader with extensive experience, I am committed to ensuring our members' voices drive the future of our organization. My leadership, honed through service on various boards, equips me with the fresh perspective needed to contribute meaningfully to IIMC's growth.

Having served as an IIMC board member and as a speaker and facilitator for clerk associations nationwide, I am deeply committed to both this organization and our profession. I firmly believe that municipal clerks are the heart and backbone of our communities, and I am running for this crucial position because I am passionate about this profession, our organization, and the members who make it all possible.

With my passion, drive, and forward-thinking approach, I am confident in my ability to lead IIMC into the future. Let's work together to elevate this extraordinary organization over the next three years.

Your vote is critical. It will help shape the future direction of IIMC for years to come. Please join me in my campaign to foster growth and create a more inclusive environment for all members.

Thank you for your support.

Sincerely,
Janice M. Bates, MMC
