

Hello Region XI

I would like to thank the International Affiliates for the opportunity to introduce myself and why I'm running to be the next IIMC Vice President. It has always been challenging to be able reach the Region XI members. To me, you are just as important as Members located in Canada (my home) and the United States. I support any initiative that allows you to be actively engaged in IIMC.

I am running to be the next IIMC Vice President because I value:

**Empowering Clerks
Uniting Communities
Leadership you can count on**

My vision is for IIMC to be an association that is always moving **Forward Together**.

To move Forward Together, IIMC needs to be an association that:

Grows and enhances its international partnerships, while respecting the unique characteristics of the international associations

Promotes the Clerk's profession, and the amazing work its Members do for their communities

Explores new and exciting ways to engage the Clerks and local government leaders of the future

Renews, adapts and grows its educational programs to meet the needs of its Members in an ever changing world

Continues to build an inclusive association that celebrates and respects the diversity of its Members

Uses its resources in a financially sustainable way, and directs those resources to achieve well defined strategic outcomes

Forward Together means turning the goals into a member driven strategic action plan for the future. Forward Together is focused on all members in all Regions.
